Yes, as shown in the following article, Moroni 10:3-8 represents sound doctrine that is consistent with the teachings recorded in the New Testament of the Bible.

In fact, a review of the scriptures confirms that the injunction to ask God to reveal the truthfulness of the witness found in the Book of Mormon by the power of the Holy Ghost follows scriptural teachings and principles found throughout the Bible (e.g. I Thessalonians 5:21, II Timothy 3:14-17, etc.).
